<b>Tasting Notes</b>	<p>The 2002 vintage breaks the curse of the even years, (1998 &amp; 2000). Our 2002 Cabernet Sauvignon combines power and finesse in one wine. Deep aromas of black cherries, currants and vanilla explode from the glass. On the palate there is a juicy quality that is expressed in all of our 2002 vintage wines. Concentrated juicy cherry, currant and vanilla toast flavors fill the mouth. The finish of this wine is elegant, multi-layered and lingering. There is plenty of up front fruit in this wine to enjoy now but could be laid down for a few years of cellar time to bring a little more balance to the wine.</p>
